Dear Chris and Claire,

On behalf of everyone at The Lullaby Trust I am writing to thank you for the very kind gift of £1,000 from The Harvey Warren Trust in memory of Harvey.

We are very grateful for your support in the battle against Sudden Infant Death Syndrome (SIDS).

Our work has led to a 70% reduction in the number of sudden infant deaths in the UK since 1991, saving over 19,000 babies. Our current target is to halve the number of sudden and unexplained deaths in infancy to 150, by the year 2020. This is an ambitious goal but with your help, we believe it can be done.

Your donation will ensure that we can continue to promote expert advice on safer baby sleep; fund research into why babies die suddenly and unexpectedly, campaign to prevent sudden infant death and support bereaved families.

For more information about fundraising for The Lullaby Trust, bereavement support or advice, please visit lullabytrust.org.uk.

Thank you once again. Your support is greatly valued.

With best wishes,
