Dear Chris & Claire

Thank you for the kind donation from the Harvey Warren Trust of £1,000. I know that Dr Lwin and Dr Klein were very grateful for the welcome they received when they came to collect the cheque and I was pleased to see your support has been recognised in the Salisbury Journal.

As requested, this donation will go specifically to our Caring 4 Kids Fund. The Caring 4 Kids Fund helps thousands of local children and families treated at the hospital each year by funding additional care, facilities and equipment over and above those provided by the NHS. Thanks to generous support like yours, we've already been able to help fund a number of important projects that are making a very real difference. These include:

- Additional equipment and facilities worth £1million, including parents' accommodation, home-from-home rooms, indoor and outdoor play areas, a multi-sensory room and a wonderful child-focused environment within the new Children's Ward and Outpatient Unit.
- A new playroom for children undergoing operations in the Hospital's Day Surgery Unit.
- A new Neonatal Unit with attached Parents' Accommodation for local mum and dads whose babies have been born prematurely or critically ill.

We continue to raise funds for all children's services at the Hospital so that children and babies receive the very best possible care. This includes ensuring children's areas have toys and suitable activities to make them as child friendly as possible, and which will help children feel more relaxed and comfortable within the Hospital environment. Most recently, we have been able to purchase some state-of-the-art monitoring equipment as well as contributing towards an echocardiogram machine which will mean some children with heart problems can be seen here in Salisbury rather than having to travel to Southampton.

I would like to take this opportunity to invite you to visit the hospital so that I can show you the difference support such as yours makes first hand, please telephone me on 01722 429005 if you would like to arrange a visit. We really appreciate your donation so once again, please accept our grateful thanks.

With best wishes.

Yours sincerely
